## THIS MONTH'S HIGHLIGHTS

BBQs & Picnics- Picnics are a fun way to be outdoors during the summer. This week we will have fun learning about picnics and being safe too.

Parks- There is a lot of different types of Parks to visit during the Summer time. This week we will learn about these parks and the fun activities to do there.

The Wild West - The Wild West is a hot and adventurous place to be. This week we will learn how life was in the west years ago.

Colors- Colors are all around us. This week we will learn about all the colors of the rainbow.

Dinosaurs- This week we are going back in time when the dinosaurs walked the earth. This week we will learn all about the giant lizards that lived millions of years before us.
